CHEESE

Charleston Jersey Brie - Australia

Sourced from the Adelaide Hills, the Charleston is a rich flavoursome brie style cheese made from Jersey cow milk.

Ibérico - Spain

A Spanish manchego-style cheese made with a blend of a third each of sheep, goat and cow's milk. The distinctive piquant taste of this white cheese ranges from nutty to fruity with a rich and buttery texture.

Oveja al Romero - Spain

Rosemary coated, cave aged shepherd's cheese made with sheep's milk from the La Mancha region. Offering the typical Manchego consistency and flavour, the new bouquet results from slow-curing with rosemary.

Comte - 18mth Reserve - PDO - France

The Charles Arnaud Comte is naturally aged in European caves, which provides the ideal conditions for maturation. This cheese has an extraordinary rich and savoury flavour with wonderful length. The Comte comes with AOP (Appellation d'Origine Protégée).

Adelaide Hills Blue - Australia

A mild flavoured blue that has a firm texture with a slight salty tang and creamy finish.

CHARCUTERIE

Bresaola - New South Wales

The Bresaola has a rich flavour coming through prime beef meat. The Bresaola is beautifully lean and tender with a delicious aroma.

Mr Cannubi Mortadella - Ballarat, Victoria

This mortadella has a firmer texture interspersed with jewels of pure white back fat and whole black peppercorns. The flavour is deep, rich and complex due to the mature and larger pigs from the Western Plains.

Salumi Classico - Northern Rivers, NSW

The Salumi Classico is a salute to the traditional flavours of Italy. This classic medium grind salumi is full-flavoured.

Sobrasada - Northern Rivers, NSW

This spreadable salumi is the milder cousin to Nduja, being flavoured with smoked pimento rather than chilli.

Prosciutto De Parma - Italy

Processed and cured in the Villani facility, this parma is cured for up to 16 months, then trimmed and cleaned to the highest standards. Unrivalled sweetness with a very distinctive fragrance, flavour and personality.
